Coalition for the Remembrance of Elijah (C.R.O.E.)

## Editor's Note

As-Salaam-Alaikum, this newsletter is prepared with sacred reverence to the truth of the teachings of the Honorable Elijah Muhammad. Great pains have been taken to use only the Last Messenger's words. Words taken from tapes, writings, and articles during His 44 prolific years of teachings. Just PLAIN TRUTH as given to us by our Leader and Teacher. This Supreme Wisdom, Knowledge and Understanding of the words of Allah as taught to us by our Messenger (no one else) will keep us from stumbling and falling. For this world has exhausted its wisdom. We are the Coalition for the Remembrance of Elijah (C.R.O.E.). Founded on the proposition that the Honorable Elijah Muhammad is the Last and Greatest Messenger of Allah. Our work is to make sure His Name, Accomplishments, and Ideas are remembered.

## Honoring Our Co-Founders

Bro. Shahid Muslim, Bro. Munir  
Muhammad,  
Bro. Halif Muhammad

We thank Brother Munir Muhammad (may Allah be pleased with him), Brother Shahid Muslim, and Brother Halif Muhammad for establishing the Coalition for the Remembrance of Elijah. As the Most Honorable Elijah Muhammad's name was being erased from history and misinformation filled the airwaves, these three men refused to stay silent. They formed C.R.O.E., responding on radio shows, giving tours through Nation of Islam history, and building an archive of unpublished works and recordings. What started as an idea for a billboard asking "Do You Remember This Man?" became an institution that fiercely defends the Messenger.

Their work built the foundation for everything C.R.O.E. does today -- the broadcasts, the archives, and this newsletter. Calls come from around the world seeking information because they made preservation and truth their mission. The work continues because they had the courage to start it.

— ABOUT THE PUBLICATION —

*The renewed outreach arm of the Coalition for the Remembrance of Elijah.*

The C.R.O.E. Report is the renewed outreach arm of the Coalition for the Remembrance of Elijah, returning after its final issue in December 2020 to carry the preserved record of the Honorable Elijah Muhammad to believers and sympathizers worldwide.

In a time when artificial intelligence accelerates the spread of polished narratives without guaranteeing verified truth, this report is anchored in authenticity, drawing directly from the Last Messenger's documented words, works, and accomplishments safeguarded in the C.R.O.E. archives.

Its aim is to strengthen disciplined thinking, support serious critical examination of events, and provide a clear standard for evaluating today's world in light of the divine guidance of the Last Messenger -- so that readers may examine the record for themselves and reach conclusions based on truth rather than hearsay.

The Most Honorable  
Elijah Muhammad

BEING SLAVES who could not read nor write and kept in this condition (non-educated) for over 300 years, made our fathers ignorant to the knowledge of the theology (the true meanings) of the Bible; but, today, God has appeared in the Person of Master Fard Muhammad, to Whom praise is due forever, to teach us this lost knowledge of the truth. The white people are continually - in this day of enlightenment of the truth of everything -- trying to keep the so-called Negro blind, deaf, and dumb, by preaching Jesus as being God, Himself, and that he died for the world of their evil kind.

Meanwhile, they are at their wit's end today trying to find peace for their troubled hearts. They are charged with killing the righteous and the prophets of God, because of their hatred for the truth and righteousness, which these prophets preached among them. They are the same today, as they were yesterday. They still hate the righteous, and one missioned as a Messenger from God. They seek the death of the righteous.

THE 9TH verse of the 17th Chapter of St. John gives the lie to Jesus giving his life for the wicked world of white mankind. He did not even pray for the evil world-not to say that he gave his life for them. But his prayer was only for those whom he converted: that God keep them in the way of righteousness and out of the wickedness of the wicked world of the Caucasian. I quote his words: "I pray not for the world, but for them which thou hast given me; for they are thine. And all mine are thine, and thine are mine; and I am glorified in them" (9th and 10th verses of the same chapter) If Jesus did not pray for the wicked world, how can we say he so loved the world that he gave his life of the world?

"The 11th verse says, and I quote: "And now I am no more in the world," meaning the world of evil people that he was trying to convert. "But these are in the world, and I come to thee"- meaning he dies like every man and returns to his Maker.

IN THE 18th verse of the same chapter, he still repeats this-that he was sent and not come of himself, in these words: "As thou hast sent me into the world, even so have I also sent them into the world." He continues in his prayer, putting himself entirely upon his sender. This is the blindness with which the white man has blinded the black man, leaving him alone to understand the scripture face value, as he reads it. The Revelation of St. John 1:11, I quote: "I am Alpha and Omega, the first and the last." They refer to Jesus as saying this on his return from death. The same thing is being preached now, from the coming of Allah, in the Person of Master Fard Muhammad, that He is the First, and He is the Last. Here the words have two meanings, and times and places. In the time of Jesus, who was from the Black Nation, of whom the scripture teaches was a Jew, but a Jew is not an original people, therefore, these words apply to a member of the Aboriginal people of the earth-that they are first in human form.

THEY ARE the same words used by Master Fard Muhammad, to Whom praises are due forever, but having two meanings, number one, He is One and part of the Black Nation, which is the first and the last. Secondly, the words mean that: I am the First God, and Saviour and Friend of yours-and the Last God, Saviour, and Friend to you (the Lost Found so-called American Negroes).

The 18th verse of the 1st Chapter of the Revelation of St. John reads like this: "I am he that liveth and was dead; and behold, I am alive for evermore." This does not refer now to the God, but refers to one of the mentally dead Negroes, who had been dead to the knowledge of truth and self and God-and now has been brought to life (knowledge) and has now been given authority over mental death in these words: "and have the keys of hell, and of death."

The Keys mean authority and wisdom of how to execute the authority..."of hell" means the condition of the people of his, in hell, under a people who had killed them mentally "This key he says, and I quote "...and of death" does not mean the natural, literal death that comes to everyone, but it means that this key of authority and enlightenment would destroy the death of ignorance and the mental death of the people of God, in hell. Not a burning, literal, fiery hell, as the reader may think, but a hell of condition of life-being deprived of the essential things of life.

NEVER TAKE THIS prophecy as being of Jesus of 2,000 years ago. When a man understands the word of God spoken through the mouth of prophets, he is safe from being deceived by the arch deceiver (the devil). There is no such thing as a return of physical flesh and blood and bone from its physical death. This is against the law of God, in which He has made us. Jesus was only a prophet. The Holy Qur'an teaches that Jesus was only a prophet. 4:171-"O People of the Book, exceed not the limits of your religion nor speak anything about Allah, but the truth.

The Messiah, Jesus, son of Mary, is only a messenger of Allah and his word which He communicated to Mary and a mercy from Him. So, believe in Allah and His messengers. And say not, Three. Desist, it is better for you.

## The Meaning of Volume 10

---

My dear brothers and sisters, there have been many inquiries in reference to the heading of the newsletter Volume 10. Everything the Messenger said has meaning. On July 2, 1972, during the Messenger's lecture series entitled Theology of Time, He told us that we had been reduced to zero until the coming of Master Fard Muhammad (Whom Praises are due forever) got in front of us, representing the number one as in the One God and made us tenfold. We want to be cognizant of this wisdom so as a reminder to us of His value we use Volume 10.

## Questions a Wide Awake Man Should Ask

---

1. Can a Minister of The Most Honorable Elijah Muhammad teach that Allah is other than a Man? (Who came in the person of Master Fard Muhammad).
2. Can a follower of The Most Honorable Elijah Muhammad change the teaching in any way?
3. Can a follower of The Most Honorable Elijah Muhammad deny that he is The Last Messenger?
4. Can a follower of The Most Honorable Elijah Muhammad change the date of the celebration of the coming of Our Saviour (Master Fard Muhammad)?
5. Can a follower of The Most Honorable Elijah Muhammad become his successor?

### ANSWERS

The answers for questions 1 thru 5 are an unequivocal NO!

2.

ALLAH HAS SENT ME AS HIS LAST MESSENGER. I AM A WARNER TO MY PEOPLE, THE SO-CALLED NEGROES, TO SEPARATE THEMSELVES FROM THE SLAVE MASTER.

3.

YOUR VERY NATURE IS AGAINST YOUR BEING ANYTHING OTHER THAN A HUMAN BEING.

# HOW TO EAT TO LIVE

## *Do Not Eat Scavengers*

*From How to Eat to Live, Book 2 · by the Most Honorable Elijah Muhammad*

Eat the best food you can obtain. Never deprive yourself of good health, at the price of cheap food. Just remember, when you are feeding your stomach with cheap, poison foods trying to keep a dollar in your pocket, you are not saving a dollar in your pocket.

IT WILL only go to the hospital, the undertaker, and for the ever increasing drain on the families' savings in purchasing drug pacification's for the ill body from eating the wrong food.

There is not one of you who would not like to live a long, long time. That long time depends on what you eat and drink. So, eat and drink that which is good. Go to the farm and try raising your own food or have collective farming. However, try seeking some of this earth that you can call your own; and raise on it the necessities of life.

And, in this way, you may be able -- if you can keep your lurking enemy from slipping poison into your good and innocent crops -- to grow pure food. We cannot blame the white man for his evils, because by nature he was made like that. But we can blame ourselves for accepting such evil.

"I have received many questions in regard to meat, fish, and poultry that have not been mentioned. The main thing Allah, as well as the Holy Quran, reminds us of is that when it comes to meat and fish, Allah forbids us to eat the flesh of a swine and a fish weighing over 50 pounds (or even weighing 50 pounds).

SOME PEOPLE will not even eat fish at all. There are many fish that we can eat; some even weighing as little as one or one and a half pounds. When

eating fish, we should confine our fish-eating to those fish weighing between one and ten pounds. As I previously said on "HOW TO EAT TO LIVE," do not eat the scavengers of the sea such as oysters, crabs, clams, snails, shrimps, eels, and catfish.

The fish last mentioned (catfish) is a very filthy fish. He loves filth and is the pig of the water. Some people write in complaining about the fish that swim on their sides, but these fish can be eaten.

ALLAH HAS Taught me that chicken is not good to eat. They are quite filthy (in-as-much as they do not eat the cleanest of food), but we eat them.

We eat beef and lamb; but Allah also said that it is not so good for us. It is not a sin for us to eat it. It is not a sin for us to eat camels. But if we can find better food, we should not eat the above mentioned food. Many write and ask if they should eat meat at all. It is not a sin for you to eat meat, but it is a sin for you to eat the hog-meat.

If we want to prolong our lives, it is best that we do not eat meat or do not eat it so often. Beef is very coarse and many of our people do not eat it because of that. Horsemeat can also be eaten. It is cleaner than the average meat. But we should not eat it unless we are extremely hungry and have nothing else to eat because it is a domestic animal and is gentle and close to the home.

IT IS NOT A sin to eat even, rabbit. But since Allah said that the rabbit is so near kind to the house cat that they are relatives, we do not eat it. The rabbit, however, is cleaner than the house cat because he eats vegetables, roots, and herbs and he does not eat anything alive.

## What the Muslims Want

1. We want freedom. We want a full and complete freedom.
2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed or class or color.
3. We want equality of opportunity. We want equal membership in society with the best in civilized society.
4. We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own — either on this continent or elsewhere. We believe that our former slave masters are obligated to provide such land and that the area must be fertile and minerally rich. We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years — until we are able to produce and supply our own needs. Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.
5. We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North as well as the South. We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own. We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.
6. We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States. We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land — or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.
7. As long as we are not allowed to establish a state or territory of our own, we demand not only equal justice under the laws of the United States, but equal employment opportunities — NOW! We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, so many thousands of black people should have to subsist on relief or charity or live in poor houses.
8. We want the government of the United States to exempt our people from ALL taxation as long as we are deprived of equal justice under the laws of the land.
9. We want equal education — but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. We want all black children educated, taught and trained by their own teachers. Under such schooling system we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools and college buildings. The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.
10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

## What the Muslims Believe

1. WE BELIEVE In the One God whose proper Name is Allah.
2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.
3. WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted so that mankind will not be snared by the falsehoods that have been added to it.
4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.
5. WE BELIEVE in the resurrection of the dead — not in physical resurrection — but in mental resurrection. We believe that the so-called Negroes are most in need of mental resurrection; therefore they will be resurrected first. Furthermore, we believe we are the people of God's choice, as it has been written, that God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negroes in America. We believe in the resurrection of the righteous.
6. WE BELIEVE in the judgment; we believe this first judgment will take place as God revealed, in America...
7. WE BELIEVE this is the time in history for the separation of the so-called Negroes and the so-called white Americans. We believe the black man should be freed in name as well as in fact. By this we mean that he should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names — the black people of the Earth.
8. WE BELIEVE in justice for all, whether in God or not; we believe as others, that we are due equal justice as human beings. We believe in equality — as a nation — of equals. We do not believe that we are equal with our slave masters in the status of 'freed slaves.' We recognize and respect American citizens as independent peoples and we respect their laws which govern this nation.
9. WE BELIEVE that the offer of integration is hypocritical and is made by those who are trying to deceive the black peoples into believing that their 400-year-old open enemies of freedom, justice and equality are, all of a sudden, their 'friends.' Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation. If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves. We do not believe that America will ever be able to furnish enough jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.
10. WE BELIEVE that we who declare ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.
11. WE BELIEVE our women should be respected and protected as the women of other nationalities are respected and protected.
12. WE BELIEVE that Allah (God) appeared in the Person of Master W. Fard Muhammad, July, 1930; the long-awaited 'Messiah' of the Christians and the 'Mahdi' of the Muslims. We believe further and lastly that Allah is God and besides Him there is no god and He will bring about a universal government of peace wherein we all can live in peace together.
